## **GHC NEWS and INFORMATION**

### ■ Appointment of the GH Steering Committee to the new GH Implementation Committee

- On Feb 22, 2010, the Radnor Board of Commissioners adopted resolutions to end the term of the GH Steering Committee and created a new Garrett Hill Implementation Committee (GHIC) to make recommendations with regard to implementing the Garrett Hill Master Plan. The Board thanked the GHSC members and appointed all 8 current members to the GHIC. They will seek to appoint a ninth member. Garrett Hill community members are encouraged to apply for this committee.

### ■ GH Implementation Committee creates 6 work groups

- At their last televised meeting, the GHIC created 6 working groups to help move forward with implementing the GH Master Plan. *Any community member who would like to participate and be part of a working group is encouraged to contact Rick Barker.* The six groups are:
- (1) Grants and funding; (2) Gateways; (3) Park Improvements; (4) Streetscape and façade improvements; (5) Parking; and (6) Consideration of Historic Preservation and/or design criteria.

### ■ Commissioners appoint Barker to Radnor Twp. IC

- At the recent Board of Commissioner's meeting, two were appointed to the Radnor Twp. Implementation Committee, including Garrett Hill's Rick Barker. Barker, who also currently chairs the Garrett Hill Implementation Committee, will be a good addition to the Radnor IC. He will bring his sense of community development and knowledge of zoning to his new role, as well as represent Garrett Hill and be a link between the two IC's. We wish Rick well in his continued service to Radnor Township.

### ■ GHC will vote for new Vice-Chair at next meeting

- At the GHC Community Meeting (Thursday, 4/8), there will be nominations and vote to fill the Vice-Chair position vacated by Rick Eulo when he moved out of our area. Anyone with interest in this position may contact Patti Barker at 610-525-1250 or at the meeting.

***We'll look forward to seeing you at the meeting!***
